# 17<sup>th</sup> JORDAN BUILD Project Overview

- The event will boost the investment in this vital and growing sector in the Jordanian, Arab, and international markets. Many initiatives have been undertaken to support the presence of Jordanian companies in the Arab and international markets through the development of links and associations with Arab and international businessmen.
- Therefore, there are new opportunities for cooperation and trade exchange.
- As one of the largest specialized exhibitions in Jordan, the event is an unmissable opportunity to reinforce the links between the experts and both national and international business leaders, in order to explore new advances in construction and engineering technologies.

“ Jordan Build 2024 achieved tremendous successes in the previous years.

JoBuild 2024 is jointly organized by Global Exhibition organization.

- Previous JordanBuild exhibitions were tremendously successful.
- This year, JordanBuild 2024 will host a wider range of participants, who will come from the region and the rest of the world, and who are keen to interact with the leaders and pioneers of this industry in a friendly and pleasant atmosphere.
- The only exclusive event for the architecture and design community in the Middle East
- Curated with the knowledge, expertise and guidance of experts from architecture and design community, Everything Architecture is the only exclusive event especially for architects, designers, specifiers, and property developers to explore a carefully selected range of innovative and inspiring products, materials, and services for your projects.
